

## Ohio River LZ Chapter Vietnam Helicopter Pilots Association

### “ONE AND DONE” SURVEY – PLEASE RESPOND

Hello from your current and past-presidents of the ORLZ Chapter of VHPA. Reality tells us more and more members are making their “*Final Flights*” to the Father’s Heliport in Heaven. As a VHPA Chapter, we would like to propose one final reunion before we officially close the doors on our chapter, and we no longer have enough members left to fill a six-top at the local choke and puke. Would you *PLEASE* answer the following questions and send your survey back to Jim Miller, or email your response to Jim at: [cw2warrior26@gmail.com](mailto:cw2warrior26@gmail.com)

Where would you like the final reunion to be held?

Would you attend an ORLZ Chapter Reunion October 3 through 6, 2024 at Bob Hamilton’s farm in New Castle, KY, along with members of the 117<sup>th</sup> AHC?

Yes \_\_\_ NO \_\_\_

Bob Hamilton’s farm will have the big tent and Porta-Johns like the last reunion. From Bob and Willa’s farm it is approximately 13 miles to hotels and 5 miles to RV camping facilities. No camping facilities are available at the farm this year.

**OR,** August 8 through 11, 2024 at American Huey 369 at their new National American Huey History Museum in Bunker Hill, IN.

Yes \_\_\_ NO \_\_\_

Depending on the number of people that can attend our “One and Done” final reunion, we will pick a hotel/motel that can accommodate our group, as close as possible to the

National American Huey History Museum. August 10<sup>th</sup> and 11<sup>th</sup> is American Huey 369's 18<sup>th</sup> Annual Gathering of Veterans & Patriots. Two Huey "slicks," one Huey "gun ship" and an OH-13 will be flying and available for rides.

According to Fifth Third Bank, as of 02/15/2024, our Chapter's bank account balance is \$3,458.32. It is our intention to use all of this money to pay for as much of this last reunion as possible. We realize of utmost importance is the ability to get together one last time to say our "goodbyes" to our dear friends while we are still able to do so. Current consensus is to **not** have a formal dinner and speaker, or even tours and fun events as we have in the past. Instead, we will have a hospitality room where we can meet, have a snack, something to drink (BYOB) and visit with those friends we came to see.

Please let us know if you would attend our last reunion and where you'd like that reunion to take place. Please understand, we're only having **one reunion**, either at Bob Hamilton's farm in Kentucky in October, or at American Huey 369's new Huey Museum in Indiana in August.

Thank you for your time and consideration.
